Work Experience

RHKYC TEAM AGIPLAST (2020)

Brand Designer - Freelance

Designed, led, and executed the complete brand for Hong Kong's 2021 Youth America's Cup Team. The most prestigious competition in Sailing.

IBM (2018-20)

UX Design Intern + Extended contract

Working as a UX/UI designer in IBM Cloud, Data, and AI. Working on enterprise software and pioneering an internal design system for the portfolio. I continued working for IBM whilst at University in order to continue supporting the projects I worked on.

Schröder (2017)

Design Intern

Investigating and providing realizable technical design solutions for a range of Luminaires. Conducting research, evaluating internal testing (IP/IK), and making large scale orders on behalf of the company.

Adidas Group (2015)

Design Intern

Developing and visualizing concepts through CAD modeling. Whilst also conducting several photoshoots for new upcoming seasons and the German Olympic team.
