Work Experience

ARRIVAL (2020-Present)
Product Experience Designer

Currently working on delivering a radically better experience across Arrival's offerings

RHKYC TEAM AGIPLAST (2020)
Brand Designer - Freelance

Designed, led, and executed the complete brand for Hong Kong's 2021 Youth America's Cup Team. The most prestigious competition in Sailing.

IBM Cloud, Data & AI (2018-20)
UX Design Intern + Extended contract

Working on enterprise software and pioneering an internal design system for the portfolio. I continued working for IBM whilst at University in order to continue supporting the projects I worked on.

Schröder (2017)
Design Intern

Delivering realizable technical design solutions for a range of Luminaires. Conducting research, evaluating internal testing (IP/IK), and making large scale orders on behalf of the company.

Adidas Group (2015)
Design Intern

Developing and visualizing concepts through CAD modeling. Whilst also conducting several photoshoots for new upcoming seasons and the German Olympic team.
